Second Member's minute } The second resolution (re abolition of Chatrams) having been passed by the Assembly the action to be taken thereon is to be decided. It may be submitted separately with the connected papers from the Govt.

Sd K R S 13.6.24.

6 The resolution is to the effect that the provision made for Chatrams be utilised for feeding poor students of all classes. The provision made for Chatrams is Rs 60,218 (Vide Budget for 24-25. Page 38). The original purpose of the Chatrams was the feeding of poor Brahmin travellers & the giving of rations to Bairagis. But in their order dt Camp 103 dt 21.11.24 directed that very poor Sanskrit students might be admitted as recipients of Chatrams during such period as they might prosecute their studies with due diligence.

7 The feeding of students of all classes seems to be foreign to the original purpose of Chattrams & the diversion of the Chattram funds for that purpose does not seem to be quite legitimate.

8 In this conn: it is submitted that in consequence of the fact that owing to extension of communications & the shifting of traffic & pilgrim routes &c, many of the old chattrams no longer served their original purpose, Govt: directed in their order no: 804-17 Mr 177-14-10 & 11-10-16 that 20 Chattrams be abolished and converted into Rest Houses. Subsequently 8 other Chattrams were abolished.

9 These Rest Houses under the control of the Mun: Dept was afterwards considered to be unnecessary & Govt: in their order no: 1462-77 Mun 268-22-11 & 17-4-24 and no: 1677-3 M 7. 283-23-3 & 17-5-24 directed them to be abolished also, the buildings, wherever they existed, being handed over to D: Bds concerned. The abolition of these Chattrams has resulted in a total saving of Rs 10,908 per year out of which a sum of Rs 4,564 has been added to the funds of the Nyson charities at Dimpati under the orders of this Govt.

Out of this sum of Rs 6344 per year, a sum of Rs 2000/- has since been granted for the use of the Palace Muzhappilangad for period of 3 years

25/6/24

The recurring amount of Rs 6344 has to be utilised towards the expenditure for Dassara feeding at Muzhappilangad, Dharmadom Thalatparambu, Panoorkara Thalatparambu etc which has been sanctioned by this Engineer (vide G.O. order on the subject - para 4 dated 3-4-24 in Muz. File 268-22). The Muzrai Engineer has also suggested as to how the allotment for the purpose

10 It may also be submitted that out of 64 chathrams in the State, 28 have been abolished, leaving 36 chathrams now working and many situated near renowned shrines, mutts and at certain other important centres.

11 Submitted for orders with reference to the second Numbered remarks extracted on page 2 above.

25/6/24

12 The division of the Pasoiks granted to Chathrams would seem to militate against the very object with which they were granted, under the existence of Chathrams is found altogether unnecessary, such a division would seem to be inexpedient.

Final Note by the Second Member of Council

Subject:—

Utilization of the funds provided for Chattrams for the feeding of poor students.

———

At the recent Birthday session of the Representative Assembly of 1924, a resolution was brought forward by Messrs. D.S. Mallappa, Abbaskhan, N. Sanjivaiah, B.L. Byanna and G. Paramasiviah to the effect that the funds provided for chattrams (in the Muzrai Department) should be utilised for the feeding of poor students of all classes. The resolution which was - moved by Mr. Byanna and supported by Messrs. Sanjeevaiah, Abbas-khan and others was evidently intended as a protest against the use of the chattrams for the benefit of practically a particular community (the Brahmins). In opposing the resolution on behalf of Government, I observed that the chattrams being intended for the accommodation and feeding of the travellers, the resolution which aimed at their total abolition and the diversion of their funds for other purposes such as the feeding of poor students as proposed could not be accepted by Government. I also pointed out that such of the chattrams as were considered unnecessary had been already abolished and their grants used for other religious and charitable purposes such as the enhancement of the grant to Tirupathi temple &c. This, however, did not satisfy the mover of the resolution and his supporters who asked for a division which was accordingly taken with the result that the majority consisting of non-Brahmin members voted for the resolution.

2. The resolution of the Assembly not having been - -

accepted by Government, I considered it desirable that a formal order should be passed giving ~~the~~ reasons for our decision; and I accordingly had a draft order put up to the effect that "the chattrams being intended for the accommodation and feeding of travellers, Government regret that they cannot accept the resolution of the Assembly to divert the funds provided for their maintenance for the feeding of poor students in general."

3. The Dewan to whom the draft was submitted for perusal ordered that the papers be submitted to His Highness after perusal by the First Member. The First Member to whom the file was sent minuted thereon as follows:-

> "I believe the resolution of the Assembly was that the funds set free by the abolition of chattrams i.e. the cost of maintenance of chattrams already abolished, may be utilized towards the grant of scholarships. This is the first resolution of the Representative Assembly and it does not look well that the reformed Representative Assembly should start in its career with the refusal of its first resolution. If possible, a more conciliatory attitude may be adopted. I would like the question to be discussed in Council."

4. With regard to the observation of the learned First Member that the resolution of the Assembly was that the cost of the maintenance of the chattrams already abolished may be utilized towards the grant of the scholarships, I beg leave to state that though a few of the members made reference in their speeches to the abolished chattrams, the resolution as it was worded and passed by the Assembly aimed at the abolition of all the chattrams in the province and the use of their funds for the feeding of students.

5. As suggested by the First Member, the question was considered in Council on the 7th instant and the Council were

of opinion that as the Assembly have been informed that the Government were not prepared to accept the resolution, no formal order declining to accept the resolution need be now issued by Government and that the case may be reported to His Highness.

6. The papers are accordingly submitted for the gracious perusal of His Highness.
